

The services in this menu are all performed at The Spa at Lakes Dermatology, which Dr. Rueckl opened in 2005 to expand his cosmetic offerings. For services performed by Dr. Rueckl, please review our other menu. More in-depth descriptions of services, photos, links, and other information can be obtained at our website: www.thelakesspa.com.

Dr. Rueckl is directly involved with all patient care at The Spa, reviewing patients' charts and progress daily. The services at The Spa are administered by trained and certified technicians, but you can see Dr. Rueckl any time for questions or consultations on spa offerings.

We often customize packages for patients so please ask us if you have questions about any of our services or products. We are always happy to offer free cosmetic consultations because we understand there's a lot to navigate.

A native Nevadan, Dr. F. Victor Rueckl, M.D. is a board-certified dermatologist and skin cancer surgeon. He attended and obtained degrees and fellowships from the University of Southern California, the University of Nevada School of Medicine in Reno, Tufts University School of Medicine, Brown University School of Medicine, and UC Irvine School of Medicine. Dr. Rueckl has had private practices in both Reno and Las Vegas, and has worked for large hospitals in Northern and Central California. He opened Lakes Dermatology in 1999 and followed that by expanding his practice to open The Spa at Lakes Dermatology in 2005. Dr. Rueckl is board-certified by the American Board of Dermatology and the American Society for Mohs Surgery. He is also a fellow in the American Association of Cosmetic Dermatology. He has been licensed in Nevada since 1981. Dr. Rueckl obtains numerous certifications and attends trainings each year to stay abreast of changes and innovations in the traditional and cosmetic dermatology fields.

THE SPA

at Lakes Dermatology

Menu of Services

FotoFacial SR/SRA – Rejuvenates skin and treats brown spots, melasma, pigmented lesions, broken capillaries, rosacea, and general skin tone and texture

*5 treatments to face \$2,500;
other areas added for additional fee*

Skin Tightening (ST) ReFirme – Stimulates new collagen production and produces a firming effect in lax skin

*5 treatments to face \$2,500;
other areas added for additional fee*

Matrix RF Resurfacing – Focused ablation (removal) of soft tissue and resurfacing of the skin to address wrinkles, skin laxity, scars, acne scars, textural irregularities, tone, and superficial skin lesions

*3 treatments to face \$1,800;
other areas can be added for additional fee*

Venus Freeze – Non-invasive revolutionary technology that offers skin tightening and wrinkle reduction, cellulite reduction, and circumferential fat reduction

*8 body treatments \$2,500;
6 face/neck treatments \$2,500*

Laser Genesis/Vasculite – Treats facial redness, small veins, and broken capillaries; often incorporated with other services such as FotoFacial or Silkpeel, or can be done alone

*\$125 per treatment and up for Laser Genesis;
\$75 per treatment and up for Vasculite*

Laser Hair Reduction – Targets and destroys the hair follicle, inhibiting that follicle from producing hair; most often done to the face, underarms, legs, bikini, back, or other areas

\$500 per hour, or by area treated

Polaris WR – Produces dermal heating to treat fine lines and subtle wrinkles

\$100 per treatment and up

Silkpeel Dermalinfusion - Combines non-invasive exfoliation with the infusion of skin-specific topicals

*\$125 for single treatment;
discounts for packages of 5 or 10*

Microdermabrasion – Non-invasive mechanical exfoliation treatment without chemicals that removes the outermost layer of dead skin cells from the treated area

*\$125 for single treatment;
discounts for packages of 5 or 10*

Once initial packages are completed, laser maintenance procedures are offered at significantly reduced rates

As seen on...

Facials – Medical-grade facials; helpful to your overall skin care and offer visible results
